We provide professional support to get your business back on track.

Future growth needs commitment and resource, and ensuring that you are following the right path can make the difference between success and failure. If your business is experiencing short term problems but has the potential for sustainable growth, Pathfinder support may be the solution.

Our experienced specialist consultants can provide confidential, professional advice to facilitate and offer direction to businesses.

We offer a free initial consultation to complete a thorough diagnostic and eligibility assessment of the business. We then work closely with management to identify areas of concern before suggesting specific recommendations to help remedy the situation and plan for growth.

Eligible businesses<sup>†</sup> will have access to a minimum of 5 days specialist support which is 100% subsidised.

Now you can look forward  
to a good night's sleep.
